Applicant's election/amendment filed 02/11/08 is entered.
Claims 1-6 and 9-14 are pending.

Applicant's election of Group II (claims 6-12) and species 1 (N-ethyl-N-(3-methylphenyl)propionamide) is noted.

The examiner notes the initial restriction requirement was in error and has been modified as below.

Group I, claims 1-6.

Group II, claims 9-14.

Note that claim 6 (A deodorant product...) originally should have been listed in Group I, drawn to a composition. The examiner apologizes for the error.

Applicant is required to affirm their election of Group II (claims 9-14), or they may change their election to Group I (claims 1-6).

Unless otherwise stated, the examiner will continue to acknowledge the election of species 1 (N-ethyl-N-(3-methylphenyl)propionamide).

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must
